

**Glenwood School  
District #401**

Dear Parents/Guardians:

The Glenwood School District has Facebook and Instagram pages. We will be using them as one more way to communicate with our parents, staff and community on events, happenings, changes and activities taking place at the Glenwood School.

We would like to post pictures of our students taking part in school activities, sports and classroom instruction. We are asking for your permission to use your child's picture on posts shared on the social media sites related to the Glenwood School District. We believe using social media will have a positive outcome on communication between the community and the school, and as a quick way to get the word out about changes or cancellations affecting our students.

Please sign and return this form to the school office as soon as possible. This form is to cover your student during their time enrolled at Glenwood School, if you choose to change your mind at any time please contact the school. If you have any questions or concerns please call the school office.

I give my permission to use my child's likeness on the Glenwood School Facebook and Instagram pages.
